1. Name of the faculty- Dr. Mudassar I. Sayyed & Dr. Swati Barnabas
2. Designation & Department-Nodal Officer, FIT India Movement, Faculty Dept. of IT & Librarian; IMSCDR, Ahmednagar
3. Type of Activity -Interactive Talk on Mental Health **"Self Love-Self Compassion"**
4. Date: 13th Dec 2022
5. Time: 10:00 a.m. to 12 noon

The "FIT INDIA Movement was launched on August 29, 2019 by the Hon'ble Prime Minister with a view to making fitness an integral part of our daily lives. The mission of the movement is to bring about behavioural changes and move towards a more physically active lifestyle. B.P.H.E. Society's Institute of Management Studies has been in the field of management education for almost three decades. The institute has been re-accredited with an A+ from NAAC Bangalore and is the recipient of the Best Institute Award from Savitribai Phule Pune University. The library has received the B - School Library Award - 2013 from Discovery Media Pvt. Ltd., New Delhi.

On behalf of IMS-AICTE's Fit India Movement G.O.A.L.S. (Goals for Active Life Style) initiative, in association with the IMS Learning Resource Center's Student Library Committee, we have invited the expert Prof. Sukanya Phansalkar to deliver a lecture and conduct an interactive session on "Self-Love - Self Compassion" on December 13, 2022, at 10:00 a.m. Prof. Sukanya Phansalkar is a certified psychologist, counselor, psychotherapist, and life coach. She has many years of experience in teaching, counseling, research, corporate training, and academic administration.

The seminar was started by lighting the lamp. Deputy Director of the organization, Dr. Vikram Barnabas, felicitated the guests. Dr. Uday Nagarkar, Fit India Movement Coordinator of IMS, Mudassar Sayyed, Librarian Dr. Swati Barnabas, and student representative Ms. Akshata Gandhi were present. Professor Sukanya Phansalkar was introduced by student Rutuja Davre. The concept behind this initiative is to move towards a more active lifestyle, recognizing the importance of mental health. Our emotional, mental, and social well-being are all parts of our mental health, discussed how it affects our thoughts, feelings, and behavior. Prof. Sukanya gave valuable guidance on how to speak and act in harmony with the situation in front of us. How we look at ourselves from birth—"who am I?" "how am I?" and "how perfect am I?"—we should decide for ourselves. How I look and what I should do determine our behavior, and if it doesn't happen, we blame ourselves. We should admit to ourselves that we can never fail in our lives. She guided the audience with various examples of this. Whether you look beautiful because of the praise of others or because you are satisfied with yourself, you should realize that you are beautiful and happy. No matter how well you dress, if you are not normal, it is of no use. In addition, it affects how we respond to stress, interact with others, and make good decisions. Every period from childhood and adolescence to adulthood is important for mental health, as she told the audience. The program was anchored by Mr. Ashish Sheikh and vote of thanks was given by Mr. Yuvraj Jadhav. Director Dr. M.B. Mehta advised all concerned to attend the program and make maximum use of it. The program was well attended by faculty, staff and students.

Report on Activity

1. Name of the faculty- Prof. Gauri Patil and Dr. Swati Barnabas
2. Designation & Department- Faculty, Dept. of IT & Librarian, Learning Resource Centre & NDLI-Club Secretary
3. Type of Activity – **Diabetes Screening Camp** : in association with Jeevandhara Hospital and the Rotary Club of Ahmednagar Integrity
4. Period: October –14 November 2022 Time: 9.00am -2.00 pm
5. Report on Activity –

World Diabetes Day's this year's theme is 'access to diabetes education' underpins the larger multi-year theme of 'access to care'. In the lead-up to and on 14 November, WHO highlighted the challenges, & importantly the solutions, to scaling-up access to diabetes medicines and care. The reason for observing World Diabetes Day on this date is because of the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best and John James Rickard Macleod in 1922 (Google, 2022). World Diabetes Day provides an opportunity to raise awareness of diabetes as a global public health issue and what needs to be done, collectively and individually, for better prevention, diagnosis and management of the condition. IMSCDR conducts various student-centric, value-added, social, and cultural activities that promote organizational skills and instill qualities of good citizenship and integrity among stakeholders. The implementation of various practices has assisted IMSCDR in developing a strong brand and goodwill in society.

On the occasion of World Diabetes Day on November 14, 2022, IMSCDR conducted a diabetes screening camp was organized at IMS CDR Conference Hall Ahmednagar on November 14, 2022, from 9 a.m. to 2 p.m. in association with Jeevandhara Hospital and the Rotary Club of Ahmednagar Integrity. Head of IT Department at IMSCDR Dr. U.H .Nagarkar launched this camp. At this time, the Deputy Director of the organization, Dr. Vikram Barnabas, Dr. Swati Barnabas, Prof. Gauri Patil, professors, staff, and students of the institute, as well as technical expert and Lab assistant Mr. Dattatray Chaudhary and Mr. Dethe, were present on behalf of Jeevandhara Hospital. Prof. Gauri Patil was introduced the guest and anchored the activity. Speaking at the opening, Dr. Uday Nagarkar said that diabetes patients are increasing day by day in India. Due to a changing lifestyle, stress, and a lack of exercise, the incidence of diabetes is increasing. If diabetes is diagnosed early, further treatment can be given in the right direction. Early diagnosis of diabetes is necessary for this. Dr. Nagarkar thanked Jeevandhara Hospital and the Rotary Club of Ahmednagar Integrity for organizing this camp. Dr. Vikram Barnabas informed that the camp got a good response from all and that more than seventy people got tested for diabetes in this screening camp.

Dr. M. B. Mehta, Director of IMSCDR Ahmednagar, appealed to all to take advantage of the benefits of this camp. IMSCDR reaches out to local population by nonconventional means and accommodated citizen from all walks of life irrespective of gender, age, educational background etc. and continue to focus on continuous improvement process of physical wellbeing. The pre and post event news were drafted by Prof. Gauri Patil and NDLI-Club event creation and uploads were done by Dr. Swati Barnabas.

11. INTERNATIONAL DAY OF YOGA

On 21 June 2023, the International Day of Yoga, IMS - Vidyarthini Manch organized a Yoga session for students and staff members of IMS. Mrs. Poonam Vachhatani, an expert from Ahmednagar, conducted the session and highlighted the benefits of practicing yoga for physical and mental well-being. The session covered various aspects of holistic health, including Ashtang Yoga, Pranayam, Nadishodhan Pranayam, and meditation to manage stress and promote relaxation. The demonstration included yoga poses such as Vrikshasan, Bhujangasan, Parvatasan, Balasan, Vajrasan, Makarasan, along with focusing on Chakras. The participants also appreciated the live demonstration of Suryanamaskar with proper breathing techniques. The IMS - Learning Resource Centre displayed informative posters on Yoga Postures, Meditation, Nutrition, and Suryanamaskar. Over 125 students and staff members attended the program.
